I GENERAL

ITF Pro Circuit and Transition Tour tournaments must comply with the provisions of the ITF Pro Circuit and Transition Tour Regulations and these Organisational Requirements. Responsibility for ensuring compliance of these lies with the National Association, which must also ensure sufficient financial securities are in place. Any queries should be directed to the ITF Professional Tournaments Department (see Appendix A for contact details).

The ITF reserves the right to amend these Requirements at any time. Updated versions of the document will be published on the ITF Website and National Associations are encouraged to distribute the most up-to-date document to Tournament Organisers.

Key documents and helpful information regarding the organisation of men's and women's tournaments on the ITF Pro Circuit and ITF Transition Tour are available on the dedicated sections of the ITF Pro Circuit website (<http://www.itftennis.com/procircuit/tournaments/organisers-info/overview.aspx>).

Specific organisational requirements are set out in this document.

Health, Safety and Security

The health, safety and security of all persons involved in the tournament, including players, officials, tournament staff and spectators, are of principal importance. The National Association is responsible for ensuring an adequate security plan for the protection of all involved persons against any such problems is in place and implemented for the tournament.

The National Association, in association with the Tournament Director, must make the ITF aware immediately of any major issues or threats (e.g. political unrest, health epidemic, natural disaster) that could impact the progress of the tournament or the health, safety or security of persons involved, whether they occur in advance of or during the tournament.

Security Guidelines have been sent to all National Associations and are available on the ITF website. These guidelines must be followed and any questions directed to the ITF.

The ITF reserves the right to request that the Applicant complete security documentation for the tournament.

1 ITF Men's Circuit

A. Transition Tour

- 1.1 The Transition Tour, is comprised of men's weeklong tournaments, which offer \$15,000 in prize money.

- Thursday before the tournament Women's \$60,000: Sports Physiotherapist Appointment Deadline (section II.A.5.2)

See Appendix D for full details of the various deadlines.

4 Tournament Sanction Applications

In order for ITF Men's and Women's Circuit tournaments to be approved and sanctioned by the ITF for inclusion on the Calendars, the tournament must have all necessary approvals from the relevant National Association and, if appropriate, the Regional Association. The National Association is responsible for submitting the application form(s) and remains ultimately responsible for the proper organisation and running of ITF Men's and Women's Circuit tournaments. Prior to supporting and submitting a tournament application a National Association must be fully appraised of the proposed tournament site and organisation and be satisfied they meet the necessary requirements and standards for the intended level of tournament.

All information regarding tournament sites, dates and draw sizes must be provided on the official ITF Transition Tour/Pro Circuit Tournament Application Form. Completed Tournament Application Forms, signed by the National Association and the Tournament Director(s), must be submitted to the appropriate Service Bureau (see Appendix A) a minimum of seventeen (17) weeks Transition Tour & \$25,000 tournaments) or twenty six (26) weeks (\$60,000, \$80,000 and \$100,000 tournaments) (see appendix D) prior to the start date of the tournament (defined as the Monday of the tournament week). Tournament Application Forms are available:

- to download from the dedicated Tournament Organiser sections of the ITF Pro Circuit website <http://www.itftennis.com/procircuit/tournaments/organisers-info/overview.aspx>
- on request from the appropriate Service Bureau.
- where an application is received to hold a tournament in a new or recently renovated venue, approval of the application is subject to a site check and written report being undertaken by the National Association and the report being submitted to ITF for review. Pictures must be included with all new application for tournaments on the ITF Men's & Women's Circuit, which should include photos of each match and practice court, the locker rooms, supervisor's office, players' lounge, physio room, and fitness room.
- where an application is received to hold a **new** ITF Women's Circuit tournament offering \$60,000 or more in prize money, approval of the application is subject to an independent site check, at the expense of the applicant, prior to a sanction being awarded. Where it is deemed necessary or appropriate the ITF reserves the right, for any category of tournament and prior to a sanction being awarded, to request that a site check is conducted by the National Association.

5 Financial Guarantee for Women's Circuit Tournaments offering \$60,000 or more in prize money

In the case of \$60,000, \$80,000 and \$100,000 ITF Women's Circuit tournaments, the Applicant must provide a financial guarantee, no later than 49 days (7 weeks) prior to the start of the tournament. This guarantee can be in the form of;

- a) an Irrevocable Letter of Credit from a reputable bank. The applicant should instruct their bank to send the Letter of Credit to the ITF's bank's SWIFT code (NWBKGB2L) naming themselves as the beneficiary and providing their address. SWIFT is a secure, electronic, bank-to-bank transaction. An example letter can be found in Appendix 1 of the 2019 ITF Pro Circuit Application Form.
- b) a security deposit. This must be the full amount of the prize money deposited to the ITF's bank account. The deposit will be returned to the sender at the completion of the tournament once all the prize monies have been paid out to participants.
- c) a Letter of Guarantee for national associations who are due from the ITF either the share payment from the Date Sales Activity or prize money from Davis Cup / Fed Cup. An example letter can be found in Appendix 2 of the 2019 ITF Pro Circuit Application Form.

If the Applicant fails to provide the financial guarantee by the required deadline, then the ITF may cancel the tournament without any liability to the Applicant.

6 Tournament Sanction Fees

Sanction Fee payments in 2019 are as follows:

Prize Money Level	Sanction Fee (10% of total prize money)	
	Men's Circuit	Women's Circuit
\$100,000	N/A	\$10,000
\$80,000	N/A	\$8,000
\$60,000	N/A	\$6,000
\$25,000	\$2,500	\$2,500
\$15,000 (Transition Tour)	\$1,500	\$1,500

The appropriate Sanction Fee is to be collected by the National Association as soon as each tournament is approved for inclusion on the 2019 Calendar. The appropriate Service Bureau

(ITF or Tennis Europe) will issue an invoice to the National Association for the amount due, which must be paid on receipt of the invoice, prior to the start of the tournament. Where appropriate, please read the “Guidelines for making payments to the ITF”.

7 Tournament Cancellations / Organisational Changes

No ITF Men’s or Women’s Circuit, ITF Pro Circuit or Transition Tour Tournament, may cancel, postpone or make substantial changes to tournament arrangements less than nine (9) weeks prior to the scheduled commencement of the tournament. Violation shall subject the tournament to a fine of up to US\$5,000, forfeiture of all sums, if any, previously paid or due to the ITF, reimbursement of unrecoverable expenses incurred and/or denial of subsequent applications.

8 ITF Calendars

Details of ITF Men’s and Women’s Circuit tournaments will be included in the Calendars, which are available from the ITF Professional Tournaments Department and on the ITF Pro Circuit website (www.itftennis.com/procircuit). In addition, whenever possible, these tournaments will be listed in the ATP World Tour and WTA Tournament Guides as a source of reference for the players.

9 ITF Pro Circuit & Transition Tour Regulations

The ITF Men’s & Women’s Circuits and all regulations for ITF Pro Circuit and Transition Tour Regulations are issued and maintained by the ITF Men’s and Women’s Circuit Committees for the purpose of ensuring the orderly and fair administration of ITF Circuit Tournaments. Each Tournament Applicant and each player entrant in an ITF Transition Tour, ITF Pro Circuit Tournament agrees, as a condition of such entry, to abide by and be subject to these ITF Pro Circuit and Transition Tour Regulations, which hereinafter include the ITF Pro Circuit Code of Conduct and the ITF Welfare Policy, as amended from time to time by the ITF Men’s and Women’s Circuit Committees.

10 ITF Responsibility

The ITF will assist in the overall organisation of the ITF Pro Circuit and ITF Transition Tour through coordination of the international calendars and management of player entries.

11 Tournament Information / Fact Sheet

All information regarding tournament sites, dates, draw sizes, details of hotels, transportation and other relevant tournament information must be provided on the official ITF Fact Sheet and returned to the relevant Service Bureau at least eight (8) weeks before the Tournament week to enable such information to be published for the benefit of players. The National Association will be held liable for any unrecoverable costs and expenses incurred in the event that incorrect information is provided and subsequently published. Failure to comply with the deadline for submission of Fact Sheet information may result in the removal of a Circuit Tournament from the Calendar.

12 Primary Health Care Programme – Women ONLY

A deduction from players’ prize money is made at all ITF Women’s Circuit and women’s Transition Tour tournaments as a contribution towards the ITF Primary Health Care Programme (“PHCP”). This is not an additional cost to the tournament, rather a contribution from players towards the provision of healthcare services across the Professional Circuit. This PHCP contribution must be paid on to the ITF by the Tournament Director. For full details see Prize Money and Points sections in the rulebook. In the event of non-payment of any deductions made, the tournament may be subject to denial of any subsequent application until such time as all outstanding monies due are received in full.

13 Invoicing and Payment of Collected Monies

Outstanding players' fines and fees will be collected at the tournament by the ITF Supervisor on behalf of the ITF and must be paid on to the ITF by the National Association/Tournament Director. Following completion of the tournament, and on receipt of the tournament report from the ITF Supervisor, the ITF will issue a detailed invoice to the approving National Association outlining any sums due (i.e. IPIN fees/player fines, PHCP deductions etc) to aid the financial reconciliation process. Please read the "Guidelines for making payments to the ITF" for full details.

II TOURNAMENT RESPONSIBILITIES

A TOURNAMENT SUPPORT PERSONNEL

National Associations and Tournament Directors are reminded that ALL tournament support personnel are bound by and must comply with all of the applicable provisions of the ITF Men's and Women's Circuit Rules and Regulations, the ITF Code of Conduct and the Tennis Anti-Corruption Program.

This information should be made available to tournament support personnel in advance of the tournament.

It is recommended that all tournament security personnel are screened for suitability prior to the tournament (see Appendix F – Security and Appendix G – Venue Access and Credential System).

1 **Tournament Administrator/Director**

Each National Association must designate one or more persons (i.e. the Tournament Administrator(s)) to be the point of contact for the ITF within the Association for ITF Pro Circuit and ITF Transition Tour tournaments.

The National Association must also designate a Tournament Director who will be responsible for all aspects of the organisation of the tournament, with the exception of all matters relating to the rules of competition as stated in the ITF Pro Circuit and Transition Tour Regulations, the Rules of Tennis and all on-court issues, which are the responsibility of the ITF Supervisor and/or ITF.

The Tournament Administrator and/or Tournament Director must be on-site throughout the whole tournament, ready to solve any problems related to the organisation of the tournament, players, officials, media and spectators. He/she must be English speaking and be fully aware of the responsibilities of his/her position. He/she is prohibited from competing in a tournament for which he/she is undertaking this/these role(s).

2 **Officials**

Please see the officiating requirements shown in Appendix B

Names of the designated officials must be provided to ITF Officiating at least eight (8) weeks in advance of the Tournament (officiating@itftennis.com). Tournament directors and national associations are encouraged to provide this information well in advance of the deadline. Failure to comply with this deadline may result in the removal of the tournament from the Circuit Calendar.

2.1 ITF Supervisor

Each tournament must appoint and provide an appropriately certified official, in accordance with Appendix B, to act as ITF Supervisor. The ITF Supervisor must be available throughout the tournament week, from the Qualifying Sign-in until after the final match of the tournament has been completed, unless otherwise approved by the ITF.

The ITF Supervisor is the final authority for on-site issues related to the Rules of Tennis, the ITF Pro Circuit and Transition Tour Regulations and all on-court matters.

ITF Women's Circuits Tournaments offering \$60,000 and \$80,000 in prize money must appoint a Silver Badge Referee and must be approved in advance by the ITF. ITF Women's Circuits Tournaments offering \$100,000 in prize money must appoint a Gold Badge Referee. The ITF Supervisor's fee (see C Tournament Costs) is the responsibility of the Tournament Director and must be paid directly to the ITF Supervisor on site. For tournaments in the \$80,000 and \$100,000 categories a grant is awarded by the ITF towards the cost of officiating services at those tournaments. The grant, in the amount of US\$1,700 per tournament and equivalent to the minimum fee for ITF Supervisors, will be provided to the approving National Association to administer as it determines appropriate and in support of the Joint Development Group project (contact ITF Officiating for more details).

At all categories of tournament, all other costs related to the ITF Supervisor (i.e. flight, hotel, local transportation, hospitality, meals and any other necessary expenses) are the responsibility of the Tournament Director.

The Tournament Director is obliged to enforce the Supervisor's decisions on site if required, for example denial of accreditation and/or access to the site following a default under the Code of Conduct.

2.2 ITF Chair Umpires

The officiating requirements outlined in Appendix B are the minimum standards for ITF Men's and Women's Circuit for ITF Pro Circuit and Transition Tour tournaments. National Associations that wish to supply a higher certification level of officials or more officials than the minimum requirement are encouraged to do so.

The tournament is responsible for paying a fee, providing full hospitality (hotel and meals from the night prior to commencement until the morning following the conclusion of the tournament) and covering travel costs for all Designated Chair Umpires (as per Minimum Officiating Requirements). Non-designated chair umpires must be paid a fee as per their ITF Certification or as approved by the National Association (for national chair umpires) and must also be provided with meals and accommodation (if required).

3 Tournament Assistants / Tournament Desk

Each tournament must provide sufficient personnel to assist the Tournament Director and the ITF Supervisor with their administrative duties, e.g. ensuring smooth running of live scoring, payment of prize money and IT/communications systems support. Other assistants, a number of whom should ideally have previous tournament support experience and be English speaking, must also be available to provide player support, i.e. assisting and advising players with tournament related issues such as practice court bookings, hotel reservations and transport arrangements.

4 Tournament Doctor

The Tournament Director must appoint and pay all costs for an English-speaking medical doctor to be on call in proximity of the tournament site at all times during playing hours. If it is more practical or cost efficient for the tournament that the doctor conducts necessary player consultations and treatments off-site, the costs of consultations / treatments that could practically be conducted by the doctor on-site remain the responsibility of the Tournament Director.

All players accepted and competing in the tournament, including eligible Lucky Losers shall be eligible for treatment from the doctor, as a minimum for the duration of their participation in the tournament.

The cost of hospital treatment or any other off-site medical treatment (except as described above) is the responsibility of participating players at all levels of tournament.

Please see the ITF Guide to Recommended Health Care Standards for more information.

5 Sports Physiotherapist

All players accepted and competing in the tournament, including eligible Lucky Losers shall be eligible for treatment from the Sports Physiotherapist, as a minimum through the day of elimination. Where the Tournament Director is responsible for appointing the Sports Physiotherapist, he/she must ensure the Sports Physiotherapist has appropriate qualifications and experience to treat players.

5.1 ITF Men's Circuit Tournaments

The Tournament Director must appoint an English speaking Sports Physiotherapist to provide on-site health care services for the players beginning one hour before matches commence until completion of all matches. It is recommended that all reasonable off-court treatment is also provided free of charge to players.

5.2 ITF Women's Circuit Tournaments

- A. At Transition Tour and \$25,000 tournaments, the Tournament Director must appoint an English speaking Sports Physiotherapist to provide on-site health care services for the players beginning one hour before matches commence until completion of all matches. It is recommended that all reasonable off-court treatment is also provided free of charge to players.
- B. At **\$60,000** tournaments, the Tournament Director must appoint an English speaking Sports Physiotherapist to provide on-site health care services for the players beginning one hour before matches commence until completion of all matches. The details of the appointed Sports Physiotherapist must be forwarded to the ITF by Thursday before the start of the tournament using the Appointment Form supplied in the Tournament Organiser pack. For guidance on appointing a qualified Sports Physiotherapist, please see the Appointment of a Physiotherapist Guide in the Tournament Organiser pack. Cost of any on-site treatment administered to players by the Sports Physiotherapist must be **free of charge**. All costs for the Sports Physiotherapist at **\$60,000** tournaments are the responsibility of the Tournament Director.
- C. At **\$80,000 and \$100,000** tournaments, the ITF will appoint an English speaking Sports Physiotherapist to be available on-site during play, who will provide on-site treatment to players **free of charge**. The ITF will pay the travel costs and fee for the Sports Physiotherapist, but all other costs for the Sports Physiotherapist (hotel, meals, local transportation etc.) will be the responsibility of the Tournament Director.

As part of the ITF's Primary Healthcare Programme (PHCP), at all Women's Circuit and women's Transition Tour tournaments a small deduction is made from players' prize money to contribute to the provision of healthcare services at each tournament and on the Circuit in general. This is not an additional cost to the tournament. The Tournament Director will receive instructions from the ITF about what deductions are made, including details of any amount that may be retained by the tournament and what must be paid to the ITF / appropriate Service Bureau.

6 Court Maintenance Staff

The Tournament Director must appoint and pay all costs for a sufficient number of trained personnel (dependent upon number of courts and court surface) responsible for the maintenance of the courts, who must be available on-site at all times and keep all match and practice courts to a required standard at all times (see Section B.2 – Courts for further information).

7 Stringer

An experienced stringer must be available, preferably on-site, throughout the tournament week. The stringer must be available during the scheduled playing hours. Many players will provide their own strings, therefore, a labour only charge option must be available.

8 Ball Persons

Clothing for ball persons shall not be identical to the Officials' uniform and shall not be light coloured, particularly white or yellow nor dark coloured for outdoor tournaments played in high temperatures.

Transition Tour and \$25,000 Tournaments

Where possible, ball persons may be provided for matches in the Main Draw, but only when provided for all matches from the start of a given round.

\$60,000, \$80,000 and \$100,000 Tournaments

A minimum of three ball persons must be provided for all matches in the Main Draw.

9 Press Officer

It is recommended that a person who has good knowledge of tennis, has public relations or media experience and has strong local media contacts is appointed Press Officer for the tournament. The responsibilities of a Press Officer may include issuing press releases about the tournament to local media and dealing with requests from media both in advance and during the tournament. This role can be combined with other duties within the Tournament organisation.

B TOURNAMENT VENUE AND FACILITIES

1 Venue Type

The tournament should be held at a single venue in either an indoor [^] or outdoor location and must be defined as such on the Application Form. A combination of indoor and outdoor locations is not permitted for a single tournament unless circumstances out of the tournament's control, e.g. bad weather, require matches to be moved to an alternative location.

Tournaments held outdoors are advised to consider creating a "bad weather" plan for staging the tournament in the case of bad weather, e.g. identifying nearby locations with indoor facilities that may be used.

[^] Definition of an indoor court

An indoor court is one which is completely covered by a roof, and for which playing conditions are largely artificial.

Note: Artificial playing conditions would include artificial light, protection from rain, and little or no wind. Courts housed under a permanent structure (including 'air halls') but without walls may be defined as 'indoor' if the playing conditions are still largely artificial and temperature and/or humidity can be manipulated. Covered courts (including courts with retractable roofs) may be defined as 'outdoor' – even if artificial lighting is required – if they are exposed to other environmental factors or the roof is open by default.

2 Courts

The facility where the tournament is held must have a sufficient number of courts **of the same surface (see further details below)** available for match play and practice throughout the tournament week. These courts must be provided free of charge to players still in competition. **All Qualifying and Main Draw matches must be played on the same surface**, unless backup facilities with different surface must be used to complete the tournament due to adverse weather conditions. A minimum of three match courts* and one practice court must be provided for an outdoor event and a minimum of two match courts and one practice court must be provided for an indoor event.

*Requirement of sufficient daylight hours (if outdoors and no lights available), approximately 9 hours of daylight required.

Match courts must be available for a minimum of 12 hours per day for the first four days of competition, except with the approval of the ITF.

A minimum number of practice courts (in accordance with the chart above) must be available from at least one day prior to the start of the Qualifying event, through to the completion of the tournament. Such courts must be available free of charge to all players accepted into the Main and Qualifying Draws from the day prior to the start of the draw in which they are competing until the day of their elimination as well as Alternates and Lucky Losers who sign the Lucky Loser/Alternate for the given day. (Accepted players have priority in using the practice courts). However, tournaments are encouraged to allow eliminated players continued use of practice courts (free of charge) if/when they are not required by players still competing in the tournament. Experienced staff should be responsible for coordinating practice courts bookings.

The sanctioning National Association and Tournament Director must ensure that the match courts conform fully to Rule 1 of the Rules of Tennis. As a guide, for international competitions the recommended minimum distance between the baselines and the backstops is 21 feet (6.40m) and between the sidelines and the sidestops the recommended minimum distance is 12 feet (3.66m). The recommended minimum height to the ceiling (where appropriate) is 30 feet (9.14m). Only those venues which conform to the minimum distances recommended may be proposed to host ITF Pro Circuit tournaments, unless the prior approval of the ITF has been obtained.

All tournament courts (match play and practice) must have the same performance characteristics – they must be of the same surface type (e.g. clay) and court pace classification (e.g. Category 2 (medium-slow)), as defined by the ITF Technical Centre (visit www.itftennis.com/technical/courts for more information) – and the court surfaces must have the same appearance, e.g. surface colours. The courts used at a tournament need not be the same product/brand. Where multiple products are used and not classified, court pace testing of the courts may be required.

All courts must be of a quality suitable for international competition, whereby court surfaces have a uniform appearance with no cracks or gaps between joints and court markings must be straight. Courts with blended lines (as specified in Appendix G) may be used for match and practice courts at Transition Tour and \$25,000 category tournaments – such courts may not be used as match courts at tournaments offering \$60,000 prize money or above. No additional court markings may appear on match courts in any tournament category, e.g. court markings for other sports.

Courts and their fixtures must present no undue risk of injury to players, officials or spectators. The playability of a court shall be determined by the ITF Supervisor who may insist on work being carried out to improve the quality of court(s) before play may begin. If there are insufficient playable courts and alternative solutions for conducting the tournament cannot be found, the Supervisor, in consultation with the ITF, has the right to cancel the tournament, in which case the Tournament will pay a minimum of first round losers prize money to all Main Draw players and will also be responsible for the reimbursement of reasonable expenses to all players.

All courts must be kept clean and well maintained throughout the competition. Clay surface courts shall be swept, watered (if necessary) and lines cleaned before the start of all matches. Carpet and hard courts shall be cleaned of all balls' fluff, dust and debris as and when required. Grass courts shall be cut as required – recommended play height is no more than 8 millimetres. Full information on court maintenance guidelines can be found on the ITF Website (<http://www.itftennis.com/technical/facilities>).

Women's \$100,000 prize money level tournament must not be staged on artificial clay or grass courts.

Where on-court banners are used, they should be of uniform colour and must not be painted in light colours that will interfere with player visibility.

3 Court Equipment

The Tournament Director must ensure that all match courts are equipped with the following equipment prior to the start of play:

- Net, net posts and singles sticks, all of which must comply with the Rules of Tennis. No advertising is allowed on the net, strap, band, net posts or singles sticks except as provided in Appendix III or the Rules of Tennis.
- Measuring device – a measuring stick, tape measure or other measuring device must be available for the measuring of the net height and location of the singles sticks.
- Chair Umpire's Chair – it is recommended that the height of the chair is a minimum of six (6) feet (1.82 metres) and a maximum of eight (8) feet (2.44 metres). The chair shall be centred along an extension of the net approximately three (3) feet (0.9 metres) from the net post.
- Line Umpires' Chairs (as required in accordance with Appendix B – Minimum Officiating Requirements), all of which must be located on the extension of their respective lines along the side fence and not closer than twelve (12) feet (3.66 metres) from the doubles sideline.
- Players' Chairs – each tournament must provide chairs for the players located on each side of the Chair Umpire. Umbrellas on courts are strongly recommended during hot weather conditions.
- Scoreboards - Tournaments must make best efforts to provide scoreboards for all courts.

4 Two Tournament Sites

In the interests of players, officials, organisers and spectators and to ensure the tournament is run as efficiently as possible, the entire tournament should be held on one site only. In exceptional circumstances, approval may be granted for the use of an additional tournament site for some matches early in the tournament provided a written request to do so is submitted to the ITF / Tennis Europe, with supporting reasoning, at the time of application. If such a request is approved, both sites must comply with the Circuit Regulations and Organisational Requirements, which include provision of identical playing conditions, provision of free transportation between the sites and supplementary qualified officials (see Appendix B for details) and availability of appropriate healthcare professionals.

5 Combined (Men's and Women's) Tournaments

If the tournament is to be run concurrently with another professional tennis tournament at the same venue, this must be indicated on the application form.

Applications for combined tournaments are welcome but the combined tournament consequently must comply with enhanced standards in accordance with the Circuit Regulations for both Men's and Women's tournaments. Any tournament which is combined with an WTA or ATP Tour or Challenger tournament shall provide a level of standards equal to or greater than the level of standards provided for that tournament. In no instance shall standards fall below the minimum requirements herein.

5.1 Courts

A combined tournament can only be classified as such if both the Men's and Women's events are played on the same site and with identical playing conditions, e.g. court surface. There must be a minimum of six match courts and two practice courts.

As the number of matches during Main Draw is doubled during a combined tournament, the stated minimum number of courts must remain available throughout the tournament.

5.2 Officials

Please see Appendix B for details of the additional officiating requirements for a combined tournament.

5.3 ITF Branding and Commercial Rights

When an ITF Men's or Women's Circuit or Transition Tour tournament is combined with a WTA, ATP or Challenger tournament, every effort must also be made to comply with the ITF branding guidelines.

6 Lights

If matches are to be played under artificial lighting, the intensity of illumination must be sufficient for professional tennis i.e. minimum of 500 lux, and distributed evenly over the court. The ratio of the highest to lowest light readings is recommended to be a maximum of 1.5 : 1.

7 Schedule of Matches

Tournaments must take place over 7 days only. Qualifying can be played over 1 or 2 days depending on site and weather restrictions. Qualifying will start and be completed on Monday or played on Monday and Tuesday, with main draw running from Tuesday to Sunday.

Doubles will begin on Tuesday and the ITF recommends that the doubles final is scheduled to take place on Friday to allow doubles players adequate time to sign in for singles qualifying at tournaments the following week. If this is not possible, the doubles semi-finals must be completed on Friday at the latest with the final on Saturday.

8 ITF Supervisor's Office

The Tournament Director must ensure a private office with a desk is made available to the ITF Supervisor. The ITF Supervisor **MUST** also be provided with:

- Internet Access;
- A minimum of one international telephone line and at least one separate fax line, which must be operational from the Freeze Deadline (Thursday 14:00 GMT) until the completion of the tournament. These numbers must be provided on the Tournament Fact Sheet;
- Photocopier and sufficient supply of photocopying paper;
- Microphone for Public Address System (if necessary)
- Communication devices, such as walkie-talkies, must be provided to the Supervisor, Each Chair Umpire and the Sports Medicine Trainer (PHCP).

9 Internet Access

Internet access **MUST** be provided for the ITF Supervisor and SMT (PHCP) on-site. A separate computer with Internet access should also be provided for players, preferably free of charge or at reduced cost. If player Internet access cannot be provided on-site the Tournament Director must make best efforts to indicate an alternative internet access location for use by players. If Internet access is available to players on-site it is recommended that a time limit is set per player.

10 Data Protection / Integrity Measures

Tournaments shall not allow or authorise the dissemination, transmission, publication or release of any match score or related statistical data from the grounds of the tournament.

Regular or continual use of laptop computers or other handheld electronic devices within the confines of the tournament match courts (spectator areas) or for purposes relating to gambling or betting within the grounds of the tournament shall be prohibited and each tournament shall take reasonable steps to enforce such prohibition. The exception to this provision is tournament credentialed personnel when used in the performance of their tournament duties and registered coaches capturing match data for analysis purposes if authorised by the ITF Supervisor. Such authorisation shall not be given for any commercial purpose.

The ITF advises each Regional and National Association and tournament organisers, prior to the start of the tournament, to:

- take advice on local law, regulation and best practice to ensure that its tournament security and player protection and welfare policies are lawful and fit for purpose
- contact the local police to ensure they are adequately briefed on the implications of "Courtsider" (person observing matches and either openly or secretly transmitting the match data to third parties in order to gain an advantage on the exchange betting

markets) and gambler activity, particularly if the presence of such persons would create a public order issue.

In order to comply with this regulation, tournaments must:

- Include the Data Rights prohibition notice (as supplied by the ITF) in their entry/ticket Terms & Conditions
- Clearly display Data Rights prohibition public notices (as supplied by the ITF) within the grounds of the tournament
- Display posters prohibiting use of Mobile phones (as supplied by the ITF) in the precincts of the match courts/spectators areas
- Employ competent and trained security personnel to address, and if necessary remove from the grounds, any person who does not fully comply with these regulations. The number of security personnel required should be based on risk assessment, taking into consideration tournament site (private or public site, size and architecture of the grounds etc.) as well as any historic security/unauthorised collection issues. Detailed advice on how to address, deal with and initiate the appropriate action when dealing with suspected courtsiders or gamblers will be provided by the ITF and TIU.
- Tournaments must respect any No Credential list provided by the ITF and/or TIU. Any person detailed on the list is subject to exclusion from any tournament sanctioned or recognised by the Governing Bodies (ITF, ATP, WTA and Grand Slams) and must not be granted any access to the tournament grounds.
- Set up and enforce adequate Credential System (see Section 11. "Venue Access and Credential System" & Appendix G "Venue Access and Credential System" below)

Any presence of Courtsiders or gamblers at a tournament must be reported by the ITF Supervisor to the Tennis Integrity Unit (info@tennisintegrityunit.com) and the ITF Live Scoring department (livescoring@itftennis.com). The TIU can provide further advice to assist tournaments with this matter.

11 Venue Access and Credential System

As part of the tournament security plan and in order to comply with ITF integrity requirements, a credential system must be implemented for the purpose of controlling access and movement of all individuals at the tournament venue.

Tournaments must provide adequate player-only areas/facilities (player lounge, locker rooms etc. – see Section II.B.12 Locker Rooms and II.B.13 Player Lounge below). Access to these areas must be prohibited for non-credentialed persons. Tournament security personnel are responsible for preventing non-credentialed access to minimise any possible interaction between players and any potential courtsiders and/or gamblers.

These areas must be designated "authorised access only". Entered players and their nominated coaches must be issued with "competitor" accreditation/credentials, to be carried at all times and presented to tournament personnel to gain access to these areas.

Please see Appendix F "Venue Access and Credential System" for further information.

The granting of access/accreditation is a matter for the tournament, subject to the following:

- Compliance with 'non-credential' lists distributed by the ITF or TIU, and any other reasonable instructions from the ITF on restriction of access;
- No discrimination towards any individual, as per item a) ii. of the ITF Welfare Policy;

- All players who meet eligibility/entry requirements must be given access, unless determined otherwise by the ITF or the Supervisor in accordance with the Regulations/Code of Conduct.

Any suspicious interaction between players, officials or tournament staff must also be reported to TIU (info@tennisintegrityunit.com)

12 Locker Rooms

Suitable and separate player and official coaches locker rooms (male and female), preferably adjacent to the tournament courts, must be available. The locker room must not be accessible by the public. Facilities must include toilets, showers and hand washing facilities (all cleaned on a daily basis), an adequate supply of toilet paper and waste paper/sanitary bins. There must be sufficient security to:

- Prevent public access and unauthorized entry
- Protect the players' personal belongings

For further information please see Appendix F – Security and Appendix G – Venue Access and Credential System.

13 Player Lounge

Each tournament MUST provide a suitable Player Lounge area on-site for the duration of the tournament for use by ALL players and their guests. This lounge should be an indoor space, unless approved in advance of the tournament. If an outdoor tent with walls is used for the players lounge, then it must have portable heating (winter) or fans (summer) provided. This area should not be accessible by the public. The area should be equipped with a computer, Internet Access (if available on-site), a television and sofas and/or comfortable chairs and be supplied with non-carbonated soft drinks (including sports drinks – please consult Appendix C), fruit, etc., which should be freely available to all players still in competition. Tournaments are encouraged to allow eliminated players access to the lounge, lounge facilities and refreshments however this remains at the discretion of the Tournament Director.

A notice board must be placed in the Player Lounge or near the Tournament Desk. All player information must be clearly displayed and updated daily. This information must include the following day's Order of Play; updated draw sheets; transportation information; relevant Tournament Fact Sheets for upcoming tournaments; Calendar updates; fines lists etc.

14 Treatment and Fitness Room

A separate treatment room must be made available, preferably located near the courts. Alternatively (but not recommended) a partitioned area of the locker room may be suitable (for privacy reasons), provided this is equipped with a wash hand basin, is well ventilated and is of a suitable temperature.

Where possible, a fitness room containing cardiovascular and strength training equipment should also be made available, located at or in close proximity to the tournament site or hotel, for use by players and their coaches.

15 On-site Anti-Doping Testing Facility

If required and when requested, each tournament is obligated (unless indicated otherwise) to provide the following facilities:

- A private room with separate toilet; *or*, at the discretion of the ITF or anti-doping authorities,
- An alternative on-site location.
- The room/location must have/contain:
 - A lock on either the door or the fridge
 - A desk and two chairs
 - Lockable cabinet (if the room is not private and lockable)
 - Access to the internet (if possible)

In addition, the Tournament is required to provide staff assistance for site set-up and facility maintenance during the Tournament.

16 Restaurant / Food Service

Each tournament MUST ensure there is a food station on-site at the tournament where players can buy, at a reasonable cost, various types of food and drink suitable for athletes. It is strongly recommended that the food station is open throughout the day and evening to accommodate players involved in late evening matches. At a non-“+H” tournament it is recommended that bottled water and fruit is available free of charge, particularly where tap water is not recommended. The system by which players are to obtain food (i.e. vouchers, tickets, or cash) should be made known to the players before the start of the tournament. Please see Appendix C for a list of recommended foods and drinks.

17 Prize Money Office / Banking Facilities

Prize money must be paid in cash, by cheque on-site or by bank transfer. For information on currency and exchange rate policies, refer to the ITF Pro Circuit Regulations III. E. Currency and Exchange Rate.

The prize money office must be open daily during the appropriate hours of play and at least half an hour after the relevant matches have finished.

If prize money is not paid in cash, arrangements must be made for players to be able to cash prize money cheques either on-site or at a local bank. Tournaments are also requested to make players aware on-site of any restrictions regarding the export of cash / currency.

Tournaments should consider providing an option to transfer prize money electronically to players, e.g. bank transfer, Paypal, to avoid players having to carry significant sums of cash on their person. If paid by bank transfer, the transfer must be completed by the Friday after the completion of the tournament.

18 Hotels / Accommodation / Hospitality

Each tournament must appoint an official hotel, which is of a suitable international standard, and negotiate reduced room rates for players. If rates at the official hotel are high, details of alternative cheaper accommodation must also be provided, which must be within reasonable distance of the site. Tournaments should reserve a sufficient number of rooms for entered players. The reservation deadline must not be earlier than the Withdrawal Deadline for the tournament (i.e. 13 days prior to Monday of the tournament).

Tournaments intending to provide accommodation in private housing should contact the ITF for the regulations applicable to players under the age of 18.

18.1 Transition Tour Tournaments, Men’s Circuit Tournaments and Women’s Circuit Tournaments offering \$25,000 prize money

A tournament offering Hospitality (+H) must provide reasonable minimum hospitality which is defined as accommodation in a twin room and breakfast for all Main Draw singles and doubles players beginning two (2) days before commencement of Main Draw until the day following the players’ elimination from the tournament. The same standard of accommodation must be provided for singles and doubles players.

Each tournament must ensure there is a food station on-site offering various types of food and drink suitable for athletes.

18.2 Women’s Circuit Tournaments offering \$60,000 or greater prize money

Hospitality (+H) is defined as one complimentary room for the use of each player accepted into the singles and doubles Main Draw (single or double occupancy, to be decided by the tournament). Rooms are to be available to each singles player for a minimum of four (4) nights beginning no earlier than the day prior to the start of Main Draw and no later than the day Main Draw starts, to continue through to include the night following her elimination from the tournament or until her four (4) nights minimum has been provided, whichever is later.

Rooms for doubles players must be available beginning the day of the sign-in for a minimum of two (2) nights, to continue through to include the night of a player's last match or until the two (2) nights minimum has been provided.

Successful Qualifiers must be afforded the same accommodations as Main Draw players. Nights spent in accommodation during Qualifying shall count towards the minimum number of nights to which Main Draw players are entitled. The same standard of accommodation must be provided for singles and doubles players.

Each tournament must ensure there is a food station on-site offering various types of food and drink suitable for athletes.

19 Transport

During the Qualifying and Main Draw, transportation must be available **free of charge** for all players between the official hotel and the tournament site. A mini bus, plus a minimum of two cars is recommended for this purpose. If necessary this should be organised on a regular 'shuttle' basis (approximately every hour) throughout the hours of play, including practice. Transport must be available at least two to three hours before the first match is scheduled. Details of the transportation service must be given to players on arrival and displayed at both the tournament site and hotel.

Detailed information about transportation between the nearest airport and official hotel/tournament site as well as approximate fares by train, bus and taxi must be provided in the Fact Sheet.

Transportation must be provided for the SMT (at least at all \$80,000 and \$100,000 tournaments) and ITF Supervisor between the nearest airport/railway station, tournament site and official hotel.

The tournament is not obliged to provide transportation if the official hotel and the tournament site is walking distance. Details of a walking route must be provided and must be safe for the pedestrians. As a guide, "walking distance" should be no more than 1km or take no longer than 10 minutes.

19.1 Transition Tour and \$25,000 Tournaments

The tournament must make best efforts to provide transportation for the benefit of the entered players between the nearest airport and/or railway station and the tournament site/official hotel. If this is not possible, precise travel directions and a guide to likely cost must be included in the Fact Sheet.

19.2 \$60,000, \$80,000 and \$100,000 Tournaments

The tournament must provide transportation for the benefit of the entered players between the nearest airport and/or railway station and the tournament site/official hotel.

20 Wild Cards

National Associations are responsible for the selection and the awarding of the Wild Cards. If required by the ITF, National Associations are obliged to give an explanation of how the Wild Cards were selected at any tournament in their nation.

C **TOURNAMENT COSTS**

1 **Prize Money, Hospitality & Transport**

Transition Tour tournaments offer \$15,000 in prize money.

Men's ITF Pro Circuit tournaments offer \$25,000 in prize money.

Women's ITF Pro Circuit tournaments offer a minimum of \$25,000 in prize money and a maximum of \$100,000.

Tournament must provide transportation as per Section B.18

2 **Officials**

The Tournament Director must provide full hospitality (hotel and meals) for the ITF Supervisor and Designated Chair Umpires, and cover their travel costs. The ITF requires the following **minimum** fee levels for designated officials, in addition to their expenses. However, since the cost of living varies so much in different countries around the world and exchange rates change regularly, the ITF encourages National Associations to agree fees with national officials in local currency.

	Minimum Fee Levels for Designated Officials (US Dollars per week)		
	Transition Tour tournaments	\$25,000** tournaments	\$60,000 / \$80,000 / \$100,000 tournaments**
ITF Supervisor	TO BE CONFIRMED LATER IN 2018	\$1,100	\$1,700
International Chair Umpire	TO BE CONFIRMED LATER IN 2018	\$750	\$825
White Badge Chair Umpire	TO BE CONFIRMED LATER IN 2018	\$550	\$550

Non-designated chair must be paid fee as per their ITF Certification or as approved by the National Association (for national chair umpires) as well as meals and accommodation (if required).

3 **Medical Equipment/Materials**

The tournament must provide all medical equipment and materials as outlined in the ITF Healthcare Standards for Tennis Tournaments document, for use by the Sports Medicine Trainer (SMT) / PHCP.

4 **Balls**

All balls used at ITF Circuit tournaments must conform to the specifications (see: www.itftennis.com/technical) outlined in Rule 3 of the Rules of Tennis and must have been approved by the ITF. The Tournament Director must apply to the ITF for approval at least 90 days in advance of the tournament if it is proposed to use BALL TYPES 1 or 3.

Balls used for practice must be identical to those used for matches. Players must return practice balls.

4.1 Transition Tour and \$25,000 Tournaments

In the Qualifying a minimum of four (4) new balls must be provided.

In the Main Draw a minimum of four (4) new balls must be provided for each match, which must be changed at a maximum of eleven (11) games and thereafter every thirteen (13) games. More frequent ball changes are acceptable at the discretion of the ITF Supervisor.

A minimum of three (3) once-used balls of the same type and brand as the match balls must be available for practice per day, free of charge, to any player accepted into the Main and/or the Qualifying Draw, from the day prior to the commencement of the respective draw until he/she is eliminated from the tournament.

4.2 \$60,000, \$80,000 and \$100,000 Tournaments

A minimum of four (4) new balls must be provided for each match in Qualifying and Main Draw, which must be changed at a maximum of nine (9) games and thereafter every eleven (11) games. More frequent ball changes are acceptable at the discretion of the ITF Supervisor.

A minimum of three (3) new balls of the same type and brand as the match balls must be available for practice per day, free of charge, to all players accepted into the Main and/or Qualifying Draw from the day before the start of the respective draw until they are eliminated from the tournament.

5 Water and Towels

Bottled water (in sealed bottles) must be provided on court for players during all matches (also refer to Appendix C).

At \$60,000, \$80,000 and \$100,000 tournaments a minimum of one fresh towel per player must be provided on-court for every match throughout the tournament.

6 Public Liability Insurance

Public Liability Insurance must be obtained to cover the tournament. The Applicant is responsible for taking out a suitable insurance policy which is compliant with local laws and regulations and which insures against claims made for damage to property and for death/injury caused to people at the event for which the applicant is legally liable. "ITF Ltd" and "ITF Licensing (UK) Ltd" must be named in the policy and on the certificate of insurance, and a copy should be provided to the ITF on request.

7 ITF Branding Guidelines

The tournament is requested to produce and display ITF Pro Circuit side court banners and include ITF Pro Circuit logos on printed materials as defined in the ITF Pro Circuit Branding Guidelines.

The ITF is undertaking a branding review in relation to the new player pathway. Branding requirements in relation to the ITF Transition Tour and ITF Pro Circuits will be released in due course.

APPENDIX B

CURRENT ITF PRO CIRCUITS MINIMUM OFFICIATING REQUIREMENTS 2019 (as of June 2018)

The following sets out the initial 2019 minimum standards for ITF Pro Circuit tournaments. Minimum officiating requirements for Transition Tour tournaments will be confirmed later in 2018.

National Associations that wish to supply a higher certification level of official, or more officials, than the minimum requirements are encouraged to do so. Any requests for these officiating requirements to be waived should be made to ITF Officiating at least eight (8) weeks prior to the tournament.

Officials' Proposal Forms must be submitted to the ITF for approval at least eight (8) weeks prior to the start of the tournament. Any changes to already approved Officials' Proposals must be communicated to the ITF for another approval.

Any changes to 2019 Officiating Minimum Requirements in this document are underlined.

1. ITF PRO CIRCUIT SUPERVISOR

The Supervisor of an ITF Pro Circuit event must be available from the Qualifying Sign-In until the End of Play on Finals Day and **may not leave, or arrive late at a Pro Circuit event in progress without prior approval from ITF Officiating**. The Supervisor must arrive on site of the tournament at least 4 hours before the Qualifying Sign-In deadline and inform the ITF Pro Circuit (see contacts below) immediately if he/she will not be able to do so. The only exception to these requirements is when the Supervisor has to leave the tournament early to be the Supervisor of an ITF Pro Circuit event the following week (see End of Week Referee below) or if another Supervisor arrives to the same site to conduct the Qualifying Sign-in and Qualifying for the following week.

If the End of Week Referee is required, the Supervisor cannot leave the tournament earlier than after the end of play on Thursday. No exception will be granted for a Supervisor arriving after the Qualifying Sign-in Deadline (i.e. for the Main Draw) and leaving before the end of the tournament for the same tournament.

If a Supervisor is required to leave a tournament early but is NOT travelling to another ITF Pro Circuit event, he/she must contact ITF Officiating in writing for authorisation at least eight (8) weeks in advance of the tournament. He/she cannot commit to another event unless this is approved by ITF Officiating.

ITF Officiating must be informed if there are any potential conflicts between a Supervisor's assignment at an ITF Pro Circuit event and an assignment at an ATP Challenger Tour, an ATP World Tour or a WTA event.

2. ITF PRO CIRCUIT CHAIR UMPIRES

Each National Association/Tournament must appoint the minimum number of **Designated Chair Umpires** as per page 3 below and minimum number or **ALL** chair umpires as per the number of match courts:

Number of Match Courts	3	4	5	6
Number of Chair Umpires	5	6	8	9

If the Tournament/National Associations wishes to supply CUs for earlier rounds of Qualifying Draw than required, ALL matches in that round must have a chair umpire (i.e. not matches on Centre Court only).

All National Chair Umpires must be registered with ITF Officiating in order to be eligible to work at any Qualifying or Main Draw match of a 2019 ITF Pro Circuit Tournament.

A Designated Chair Umpire at an ITF Pro Circuit event must be on-site for the Qualifying days (as per the Minimum Requirements - see page 3) and a sufficient number of designated officials **must be available until the final day of the tournament** unless otherwise approved by the ITF.

ITF Officiating must be informed if there are any potential conflicts between a Chair Umpire's assignment at an ITF Pro Circuit event and an assignment at an ATP Challenger Tour, an ATP World Tour or a WTA event. A Chair Umpire may not leave, or arrive late at a Pro Circuit event in progress without prior approval from ITF Officiating.

3. END OF WEEK REFEREE

If the Supervisor of an ITF Pro Circuit event is leaving before the end of the tournament to conduct the Qualifying Sign-In and Qualifying Draw of another ITF Pro Circuit event or provided he/she has received prior approval from ITF Officiating, an End of

Week Referee (EWR) must be proposed and approved by the ITF. A Supervisor working at any ITF Women's Circuit events with Prize Money of \$60,000 or higher must stay until the end.

A suitable EWR is one of the following:

1. International Referee (Gold or Silver);
2. Designate International Chair Umpire (Gold, Silver or Bronze);
3. White Badge Referee with sufficient experience;

If the event is a Combined Tournament, the End of Week Referee must hold an ITF Referee certification (White Badge Referee or higher).

If one of the Designate Chair Umpires becomes the EWR, he/she can no longer work as a Chair Umpire and therefore must be replaced with the same (or higher) Badge Chair Umpire for the days when he/she is acting as the EWR so that the minimum requirements are met and the required number and level of Designated Chair Umpires are present during the Final Week-end. All End of Week Referees will be subject to approval by ITF Officiating.

4. MINIMUM REQUIREMENTS FOR TOURNAMENTS PLAYED ON MORE THAN ONE SITE AND RESPONSIBILITY FOR ON-SITE ISSUES

Where a tournament is played on more than one site, an Assistant Referee (International Referee/International Chair Umpire/White Badge Referee approved by ITF Officiating) must be provided by the tournament to act as On-site Referee at the secondary site. The On-site Referee must be in constant contact with the ITF Supervisor, who will remain responsible for all issues arising on-site, but where communication with the Supervisor is not possible the On-site Referee shall act on behalf of the Supervisor. It is the tournament's responsibility to ensure the required number of Chair Umpires and Line Umpires are provided across both sites (in addition to the supplementary On-site Referee), in accordance with the Minimum Requirements.

5. ITF PRO CIRCUIT EVENTS COMBINED WITH ATP EVENTS

The ITF Pro Circuit event should comply with the Minimum Officiating Requirements at individual ITF Pro Circuit events, regardless of the ATP Designations for Chair Umpires. Please note that the ITF Designate Chair Umpires, who are working at an ITF Pro Circuit event combined with an ATP event, may work as Chair Umpires at the ATP event if requested and at the condition that the Minimum Officiating Requirements for the ITF Pro Circuit event are complied with. However, an ATP Supervisor may not work as the Supervisor of an ITF Pro Circuit event during the same week.

A tournament must comply with the Minimum Requirements for Line Umpires at ITF Pro Circuit events, regardless of the Minimum Requirements for Line Umpires at the ATP event. However, where possible, Pro Circuit tournaments are encouraged to match the Line Umpire requirements of ATP events.

- Carbohydrate and electrolyte (sports) drinks: e.g. Gatorade, Powerade, Staminade, Isostar, Lucozade, Procari, Vitalyte, Energade, Title Sports Drink, Aquarius, 100 Plus, Isodrinx, Scream (green flavour only), Cedevita, Pripps Energy, Overstim Hydrixyr

(Note: the listed sports drinks are not tested or endorsed by the ITF).

All drinks should be provided in **individually-sealed** bottles or cartons.

Players are solely responsible for all substances they eat and drink, and, therefore, all such food and drink is consumed at his/her own risk. Ingestion of contaminated food and/or drink will **not** excuse an Anti-Doping Rule Violation. Some manufacturers may provide 'guarantees' against contamination of their products by Prohibited Substances. Any such 'guarantee' will **not**, however, result in any sanction imposed on a player arising from consumption of a contaminated product being waived or suspended.

Tournament organisers should make reasonable efforts to ensure that all food and drink items provided for players are free of all substances listed in the prevailing version of the WADA Prohibited List. The Prohibited List can be found at www.itftennis.com/antidoping/rules/list.asp.

ITF PRO CIRCUIT BRANDING GUIDELINES

For full details please refer to “Branding Application Requirements for ITF Pro Circuit” document available in the Tournament Organiser Pack. Rules on permitted advertising can also be found in Appendix IV of the ITF Rules of Tennis.

APPENDIX F VENUE ACCESS AND CREDENTIAL SYSTEM

In order to preserve and protect the integrity of the sport, including its players, access and movement of all individuals at the tournaments venue must be controlled. The ITF requires that a venue access and credential system is in place as follows:

- Restricted/controlled access
 - There must be a clear separation between public access areas for spectators and restricted access for tournament personnel, officials, players and player support teams
 - Designated restricted access areas, such as private player only areas (i.e. the player locker rooms and treatment areas) and non-public areas of the venue (such as the tournament offices, player lounge and on courts) must be clearly separated and marked.
 - On-site public facilities, such as portable event toilets, which are separate from player locker rooms must be provided. Credentialed persons only may have access to player locker rooms.
 - Key access points, specifically, the locker rooms, treatment areas and player lounge, shall be staffed to prevent unauthorized access.
 - The *Credential System* must include:
- Responsible person(s) to manage the credential process
 - Provided with tournament entry lists, personnel lists and ITF “no credential” list.
- Tournament-issued identification badges or credentials
 - Categorisation of tournament personnel according to their positions, e.g. player, coach/guest, official, media, tournament staff.
 - A basic system can use colour-coded badges to identify each category.
- On-site access
 - Clear “access charts”, used by security personnel/stewards to implement the credential system, shall be posted at entrances to restricted access areas, such as the players’ locker room, treatment areas, the players’ lounge and match courts.
- Personnel screening and orientation
 - It is a requirement that all tournament personnel who will be in close contact with players (such as locker room attendants, medical personnel and therapists, stringers, drivers etc.) are familiar with the credential system and are screened for suitability prior to the event.

APPENDIX G BLENDED LINES

Specification

Blended lines were introduced as part of the ITF's [Play+Stay](#) and [Tennis10s](#) campaigns, aimed at increasing tennis participation worldwide.

Blended lines laid on courts to be used for matches at ITF Pro Circuit tournaments (see section B.2. Courts, for tournament category restrictions) must use the following specifications:

1. The pace of the blended lines shall be no more than 5 CPR points different from the average CPR of the court.
2. The colour of the blended lines shall:
 - a. Be within the same 'colour family' as the 'background' court colour (i.e. if the background colour is a shade of blue, then the blended lines shall also be a shade of blue).
 - b. Be lighter, but not darker, than the 'background' court colour. The colour variation from the background colour shall be no more than (+)22 points on the L* CIELAB scale (this is a measure of the 'lightness' of the colour). A practical way of ensuring that this limit will not be breached is to add no more than 25% (by volume) of white paint to the background colour paint.
 - c. Be 1-1.5 cm narrower than the other playing (court) lines.
 - d. End 7-8 cm from the point at which they would intersect with the lines on the standard court.

Specific information about marking courts with blended lines can be found on the Play+Stay website, here: <http://www.tennisplayandstay.com/tennis10s/about-tennis10s/markings-the-courts.aspx>.
